POST GAME QUOTES BY OKLAHOMA STATE

OKLAHOMA STATE COACH: Pat Jones

**Lot of credit to West Virginia team and coach

**Defense did enough to let us win and they did it at the right time

**On Thurman Thomas--It's ironic that he ended his career the way he began it..with me on the platform with the championship trophy

**On the last two-point try by West Virginia..With the two-point try..we waited for them to see what they were going to line up in..then we took a time-out and figured out what to do.

If they didn't help us (West Virginia), we would have had a hard time stopping them, and again we have to give credit to the team and coach

**Our defense, rather our team, made crucial plays at crucial times

**Running back Thurman Thomas.."We decided when the defense held, then we would get two touchdowns. Since this is my last game in Oklahoma State uniform, I felt deep inside I had to give all I had.

**On the ten win season...Coming off six and five last year, It's great to come back and win 10 ball games. It really has been a good season and a winning team; makes it even better.

**On the 4 touchdown record..I am just really happy on the way things turned out, and I know we had a great showing and that tops it off.
