Arizona State University Post Game Quotes

Head Coach Bruce Snyder

"You don't run for as many yards as we did without some great blocking."

"This was a great ending for a terrific season."

"We wanted to come out and play defense, kick the ball well and run a little. We were also looking to throw the ball with some efficiency."

"This is a great sport and this is great fun for me personally."

"Most of this team will be returning next year. We will lose some key players, but we have built a program here and we expect to be good again next season."

ASU Starting Linebacker Pat Tillman

"We had a lot of energy through the whole game."

"We were successful against Iowa, because we had 11 guys pchasing them down after each play."

"I get paid to tackle and I go out and hit as hard and as often as possible."

"I wanted to leave my career at Arizona State on the right note. This game was very big for me."

"The last seven points aside, I thought that this was probably the best defensive game we have played all year."

"We were well prepared and we were physical . . . we also ran ball well and when you put all of those things together then you aren't bound to lose many games."

Post-game quotes:

Iowa Head Coach Hayden Fry:

"I'd like to congratulate ASU. They played extremely hard and deserved to win.

We seemed to be uptight at the beginning of the game and made some mistakes early. ASU got the momentum and took advantage of it. We've had a great time with these seniors. They've done a wonderful job. We lost, I think, to one of the better teams in the nation.

It was a tough ballgame. I'm proud of our effort and was amazed we didn't play better.

We often had terrible field position, and (Steve) Campbell did an outstanding job. When we get behind and have terrible field position, it takes us out of the game.

I think we got everything we could out of our players. They had an extremely good season."
