TCU 28, USC 19

USC Quotes

Paul Hackett

"I have to give credit to TCU. They were ready to play today. We had two issues confronting us in this game - foreign territory, playing on the turf, and the option. The option was very well executed and extremely tough to stop."

"I was pleased with the way we came out in the second half and made defensive adjustments. However, 21 points in the first half was just too much. I think we played some good solid football in the second half, we got two scores and had the momentum shift our way. Then we gave up a couple of sacks and had to punt. That really took the air out of the balloon."

"I don't think we were ready to go today. I said that I thought the first quarter would determine a lot of how the game is played."

"Defensively, they surprised us with speed and quickness. They angled and stunted and executed with tremendous speed. The problem is that you can't simulate this kind of speed in foreign territory in practice. They threw a lot of different looks our way, a lot of different formations and personnel and alignments. A very impressive tempo."

"I felt this was foreign territory. The atmosphere was TCU oriented and the turf. This game should go a long way to preparing us for next year. It may inspire us. Maybe we needed a wake up call. Our players will remember how the feeling in the locker room right now and they will remember the feeling in the locker room after the Notre Dame game. We want to use that feeling and emotion to move into the future."

"I was most disappointed that we couldn't run the ball. They did a good job stopping our running game."

Chris Claiborne

On the draft: "I will wait. I want to talk to coach and discuss our options. I have a lot of things to consider. I'm a team oriented guy. I would like to graduate. It's not about the money, it's about the love of the game and the challenge. Coach has been there, on both sides of it, and I respect his opinion completely. I won't make a decision until Coach and I have had a chance to talk."

"We adjusted well in the second half. I moved to the weak side to try to contain the run, which seemed to work."

"I was a little hurt and didn't practice as much as I should have, and I've gained a little weight. These things may have hurt me."

TCU Quotes Players

Basil Mitchell:

"The only option team they played this season was Notre Dame, and they were using their third string quarterback. We run the option from so many different formations and thought it would confuse them."

"The offensive line, the wide receivers, the tight ends, the fullbacks, they all said, 'Basil, we got to get you that trophy.' Afterwards, I hugged everyone of them and told them I loved them."

"Their defense has given up 14 points in the last four games. To get up on them early like this was a big deal. It gave us momentum."

Patrick Batteaux:

"They don't play a lot of option in the Pac 10, and we thought we may have good success on the ground."

"I think we had a good game plan and we believed that we could beat USC. Coach Fran and the rest of the staff had us very prepared for this game."

"We were on national TV, it was the last game of the season, and to go out like this is great."

Andre Bruce:

"The last series for USC was big, and we knew we had to make big plays and that's what we did."

"A team like USC disrespected us and at the end we had the final word."

Michael Crawford:

"I always wanted to play for these guys but beating these guys was even better."

Coaches

Dennis Franchione:

"You could not buy what this meant for us, the coaches, the university, and this program."

"This team never quit in believing in themselves and the coaches. They pulled together and won this thing."

"We got the film and game plan and we realized that we could play with this team. We executed in all aspects of the game."
